OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2001-71

TO: All ISIS HR Agencies

FROM: Jena W. Cary
Director

SUBJECT: Employer and Employee Rate Changes for Retirement Systems

Employer and employee retirement contribution rates will be changed in ISIS HR effective July 13, 2001 payday (Pay Period June 25 – July 8). There will be a 1.1% decrease (from 14.2% to 13.1%) in the employer's rate for Teachers' Retirement. There will be no changes in the employees' rates. There will also be a 1.15% increase (from 6.35% to 7.5%) in the employee contribution rate for School Employee's Retirement.

The rates for fiscal year 2001/2002 are detailed in the attached table. These new rates should be used when setting up the retirement information in ISIS HR. Retroactive adjustments processed in ISIS HR after July 1 (back to 3/19/2001) will have the retirement contributions (employee and state share) calculated based on the rate in effect for the period being corrected. Agencies will no longer have to process manual adjustments as was done for the Uniform Payroll System (UPS). However, adjustments for periods paid through the Uniform Payroll System (3/18/2001 and prior) will have to be handled manually. A separate memo will be forwarded shortly addressing how to handle those situations.

If you have any questions, please call a member of the Wage and Tax Administration Unit:
